HAMILTON'S ECAC SELECTIONS: Defensive Guard Sandy Rederer, Quarterback Bill Reukauf, and Tackle John Siebert.

Nineteen sixty-five was the year of the pass at Hamilton College. The Continentals compiled a 5-3 record as quarterback Bill Reukauf and end Bob Adams combined to set 15 new passing and receiving records.

Reukauf's right arm accounted for 1513 yards this season, surpassing the 1105 mark set by Don Burns in 1963. The 175-pounder completed 102 out of 216 passes this season, both new marks, for 10 touchdowns and six conversions. During his three years on the Hill, Reukauf hit on 188 out of 371 attempts for 2671 yards and 18 T.D.'s. Only Burns' career and season marks of 21 and 15 scoring passes, respectively, remain unbeaten.

Statistically, Reukauf's best single performances came in this year's 34-14 victory over Hobart and 46-22 loss to Union. In the contest with the Statesmen, he passed for five touchdowns and two conversions to account for all the points the Continentals scored that afternoon. Facing the Dutchman in his last game in the Blue, Reukauf completed 29 out of 56 passes for 417 yards, two touchdowns, and a conversion.

Adams' two best performances coincided with Reukauf's. He was on the receiving end of three of the five T.D. aerials and one of the conversions against Hobart, and snared 12 passes for 196 yards, a touchdown, and a conversion in the Union contest.

The closing effort gave Adams 31 receptions for 485 yards in 1965, four more catches and 30 more

yards than the 1963 performance that earned him a berth on the E.C.A.C. all-star team as a sophomore. The Continentals' leading pass receiver for the last three years, Adams caught a total of 87 passes for 1299 yards and 12 touchdowns.

On the rushing side of the offense, halfback Larry Pritchard was once again the workhorse, carrying 82 times for 3.2 yards per carry average. Although he missed two games with an ankle injury, the "Moose" still managed to prove his versatility by scoring two T.D.'s on the ground, catching 19 passes for 195 yards, a T.D., and two conversions, kicking two extra points, and intercepting three passes from his linebacker slot.

Drew Ramsey, playing his second year of organized football, moved into his own this season as he scored 34 points to lead the Continentals. The speedster from Rhinebeck, New York gained 232 yards on 40 carries for three touchdowns and a 5.8 rushing average, including a 146-yard performance against Haverford. On the aerial routes, he gathered in 24 passes for 428 yards and two more scores.

The Continental defense was headed by tackle John Siebert and guard Sandy Rederer, who made the E.C.A.C. team of the week for their outstanding play in Hamilton's 34-0 and 15-0 wins over Haverford and Swarthmore, respectively. Sophomores Lou Teitel and John Freedman each picked off four enemy aerials to lead a pass defense that allowed only 77 completions out of 213 attempts and made 22 interceptions.

Cady attempts to outrace a defender.

Adams, about to score on a Reukauf aerial.

New York State Track and Field Association Meet—Fifth Place

Hamilton's harriers rebounded from a disappointing 3-3 season to finish fifth in the championships of the seventeen-team New York State Track and Field Association. Captain Al Podosek led a squad composed mainly of underclassmen; he was the only one of the top four of '66's undefeated freshman squad to stay in school.

Coach Long, designating his men as the "suicide six" (though the state meet squad admittedly had seven members), worked them hard for the state meet, and the conditioning paid off spectacularly. Podosek streaked home fourth (only one other runner in Hamilton history finished higher), and Campbell ran what Coach Long termed "the best race of his life" by taking an incredible ninth place, only three seconds out of seventh. Kneisel, Tarbell, and Hotine all ran good races as well, and the team ended up fifth, behind champion Roberts Wesleyan, to surprise everyone and turn a fair season into a good one.

Since Podosek and non-scorers Andy Horton and Woody Studenmund were the only seniors on the team, the squad should improve somewhat, but, unless Captain-elect Campbell continues his improvement, the team will lack the superstar necessary for a strong team.

SENIOR RUNNERS: Woody Studenmund, Andy Horton, and Al Podosek.

FIRST ROW: C. McDiarmid, R. Beebe, M. McCann (Captain), R. Rubin, D. Lappas. SECOND ROW: K. Wyatt, D. Roberts (Manager), A. Bloom, T. Rogers (Manager), C. Sullivan, W. Ferguson, M. Eby, H. W. Hamlin, J. Hackney, A. Triantaphyllou, G. Grayson, Coach Manfred von Schiller. THIRD ROW: H. Ntaba, D. Swagel, P. Sturman, J. Brooks, W. Lambert, W. Daub.

SOCCER

The Hamilton soccer team did not fulfill the wild predictions that were flying around before the season started, but the team did, fortunately, have a winning season.

Critics felt that the return of Demetrios Lappas plus five standouts from the freshman squad—Walt Daub, Mike Eby, Whit Ferguson, Mike Masseth, and Jim Brooks—would give the team enough talent to win. This observation proved correct, but the key to the eventual winning season was the consistent fine play of junior fullback Ken Wyatt, junior goalie Pete Sturman, and Watson exchange student Colin McDiarmid from Scotland.

Playing well in losing a scrimmage to state soccer power, Hartwick, by a 4-3 margin, the team set itself up for the comedown defeat by Union in their opener. Rotating halfbacks and moving McDiarmid to the front line helped in the victory over Rochester.

The Clarkson defeat and the Harpur victory were no contests, and neither was the loss to a truly fine team from RPI. Goalie Sturman played a great game as the Continentals shaded St. Lawrence on a fourth period goal by McDiarmid, with Lappas assisting.

The team played like champions in their victory over Harpur, which Lappas made possible with two goals. In their final encounter against the rough Cortland squad, the Continentals held on for a tie after Daub's first quarter score.

Hamilton's young team, which finally began to play up to its potential at the season's end, will continue to improve next year. Graduation will not hurt them too much, although the return to their native countries of Lappas and McDiarmid will. Next season, Captains Wyatt and Sturman will help the squad correct its mistakes, which resulted in seven of the 13 goals scored against them this year coming on penalty kicks.

The Honor Court has the responsibility of enforcing and proposing changes in Hamilton's Honor Code, which regulates academic honesty. Its members are two seniors, two juniors, one sophomore, and one freshman.

Judiciary Board

The Judiciary Board consists of two seniors, two juniors, and one sophomore who are elected by the student body to enforce the Student Senate Regulations on Social Conduct. Besides investigating approximately fifteen cases, this year's Board amended its constitution to make its operations more visible to the student body.

During the past year the Student Senate studied several of the rules and regulations which govern student life. Reviewed were the regulations on Social Conduct and on Rushing and the Constitution of the Judiciary Board.

The review of the Social Rules occupied most of the Senate's time. To begin with, the Senate asked the Faculty Committee on Student Activities for a statement on its position. The Faculty countered by challenging the Senate to: (1) consider and review the preamble, especially the "gentlemanly conduct" catch-all; (2) examine the present rules to see if they were agreeable with the present moral standards of the College and its students; (3) examine the source of decision making for the rules and changes in them. The challenge was offered because of two student requests: blanket room party permission and a curfew of 2 a.m. for off-weekend room parties.

Essentially, the changes in the Regulations brought about an abbreviated form of the previous code and stressed in the preamble that each student would be responsible for his own behavior. The hours when women may be in the dormitories were extended, and the regulations covering restricted areas in the fraternity houses were made to coincide with those of the dormitories.

Although occupied so extensively with the Social Regulations, the Senate considered and revised the constitution of the Judiciary Board and discussed changes in the Rushing Regulations: the possibility of open houses during the fall semester, changes in the schedule for Rushing Weekend, and changes in Total Opportunity itself.

In May, the new Senate under the leadership of Michael Lang took over from Peter Albro and his cohorts to continue the work of reviewing the regulations concerning student life.

Root-Jessup members with Senator Jacob K. Javits before his address here on Feb. 24.

The Root-Jessup Public Affairs Council is an undergraduate organization, with student officers and a faculty advisor, whose purpose is to stimulate and plan student discussion on current events. Besides publishing the magazine *Comment*, the Council this year sponsored such speakers as New York Senators Jacob Javits and Robert Kennedy and John Rousselot, public relations director for the John Birch Society.

So that we would not paint Clinton red every weekend, the Social Committee planned and presented many fine social events during the year.

For Homecoming, besides the entertainment presented by the returning alums, Hamilton's perennial favorites—Patti LaBelle and the Bluebells—kept us busy clapping, shouting, and whistling. Fall Houseparties brought the Bitter End Singers and Josh White.

Social Chairman Schwarz sweated for entertainment for Jazz Weekend, but not half as much as the Horace Silver Quintet, who played to a capacity crowd of students and dogs. Wolfgang heartily approved of jazz and especially of Horace Silver. Winter Carnival was a relatively silent weekend, with Simon and Garfunkel singing Friday night and entertaining those of us who were not homeward bound. Lawrence Luigi and his twelve piece orchestra sallied out from Utica for a return engagement at the Carnival dance, and, to keep those Hamilton men who were dateless happy, the Womenfolk sang.

Spring Houseparties provided its traditional release of our winter's discontent and frustrations with the annual show—rock 'n' roll, that is—in the Sage rink. The weekend capped what had been a very interesting social year.

HOCKEY

FRONT ROW: B. Seaman, P. Chapin, W. Semple, J. Goodfellow (Captain), A. Bloom, S. Marsh, T. Pitcher. SECOND ROW: J. Kennedy, R. Rubin, R. Drummond, C. Perry, B. Nelson, S. Fuchs, T. Wheeler, S. Melhado.

Highlighted by a third-place finish in the Amherst Tournament and the see-saw scoring race between Jim Goodfellow and Tom Wheeler, Hamilton's 1965-66 hockey team compiled a 6-12 overall and a 6-8 E.C.A.C. Division II record. With only one senior on the squad, the Continental sextet started well and took a 4-3 mark into the new year before injuries and academic troubles took their toll.

After an opening 9-2 loss to Williams in the eight-team Amherst Tournament, Hamilton bounced back for a 3-2 overtime victory over the University of Massachusetts. Goodfellow scored the winning goal unassisted after 42 seconds of a sudden-death overtime period after Ted Pitcher and Wheeler had knotted the score at two-all in the second.

Facing Norwich in the final round, the Continentals jumped off to a 3-1 lead in the second period on a tally by Bruce Nelson and Stod Melhado's first two goals of the year. The Cadets narrowed the margin to 3-2 at the beginning of the final period, but scores by Goodfellow and Bob Drummond gave the Blue the 5-2 win.

The team scoring race was not decided until the final day of the season. After falling behind early in the year, Goodfellow had taken a one-point lead until Wheeler's fourth four-point performance won him the crown. Scoring two goals and two assists, he boosted his total to 35 points on 19 goals and 16 assists. Goodfellow, whose 20 goals were one-third of the team's total, finished close behind with 34.

Each skater notched a hat trick during the season. Wheeler's came in Hamilton's first victory of the year, an 8-3 romp over Norwich. Goodfellow and Drummond each had two goals in the contest, while Joel Kennedy had one to complete the Continentals' scoring.

"Goodie's" three-goal performance came in the Blue's 5-2 Winter Carnival win over M.I.T. and marked the fifth time he had scored at least twice in one game. The defeat of the Engineers also saw Larry Pritchard get his first goal of the season. Pritchard, who was called up from the intramural leagues when injuries depleted the varsity ranks, knocked in a rebound of a Wheeler shot to give Hamilton a 4-1 lead. Pitcher had the other Hamilton score.

Stu Marsh's first two goals of the year also came at an opportune time for the Continentals. With the Blue trailing Amherst 3-2 in the final period, Marsh beat the Lord Jeff goalie once to tie the game at three-all, and a second time, unassisted, for the overtime win. Wheeler and Jim Mote provided the other Hamilton scores.

The Continental goalie chores were split between Art Bloom and Bill Semple, each appearing in twelve games. Bloom finished the season with a save percentage of .835 and a goal-per-game average of 5.92. Semple was close behind with an .828 percentage and an average of 6.83 goals per game.

Looking ahead to next season, the Hamilton sextet has the brightest prospects in many years. With only Marsh graduating, the Continentals will carry over a core of twelve experienced players. The addition of four or five skaters from this year's freshman squad could relieve the lack of depth that has been a constant thorn in the Blue side over the last few seasons and thus pave the way for a winning team.

The 1965-66 edition of the Continental basketball team began practice with high hopes. Playing strong defensive ball, Hamilton won its opener against Hobart, 70-61. The next night the Continentals treated a large home crowd to a real cliffhanger as Co-captain Marty Hilfinger tapped in a missed foul shot with less than a minute left to give Hamilton an 82-81 victory over Union. Playing championship ball, the Continentals went home for Christmas vacation with a 5-0 record.

Hilfinger was once more the hero in Hamilton's first game of 1966. With ten seconds left in regulation time, he took a beautiful pass from Jay Owen and scored to send the game against RPI into overtime. The duo combined again to give the Hill a 88-86 victory.

Utica College became the Continentals' seventh victim, but came back after intercession to deal Hamilton its first defeat. Bouncing back the following week, the Continentals rolled over Middlebury as junior Bill Hunnicutt scored 21 points in his first starting assignment. Norwich and Rochester spoiled Hamilton's next two efforts, before Bill Ernstrom's 44-point, record-breaking performance led the team to a 88-74 victory over Clarkson.

Hobart and St. Lawrence fell to the Continentals, but Union spoiled their chance to tie the school record of 12-3 as the Garnet pulled away in the last five minutes to triumph, 77-66.

With the graduation of Adams, Hilfinger, Lundberg, and Owen, Hamilton loses four experienced players who produced many fine individual and team performances in their three year careers. However, Ernstrom, Root, and Hunnicutt will provide a strong nucleus for next year's team, which will also be helped by five other returning veterans and several excellent freshman prospects.

The Blue swim team churned out a commendable record for the 1965-66 season, winning five out of nine tough meets.

The aquamen started strong in their first meet. Season standout Bruce Mohl began the season with a ten second improvement of the previous school record in the 200-yard individual medley. John Greenwood won the first of his eight diving victories, and sprinters Chuck Rinker, Bob Stephany, Neil McBride, and Dick Hadley placed well, as they would all season.

However, the season's biggest news was Bruce Mohl. Coach Alan Waterfield predicted that he would set records in every event he swam, and the big sophomore rarely disappointed him.

As a reward for helping the Blue to a 5-4 season, a big improvement over last year's 0-9, Mohl was sent to the NCAA Eastern Seaboard Championships at Annapolis. Competing against the best swimmers in the East, Mohl brought fifteenth place home to the Hill. In a field of 40 men from 30 different schools, he placed fourth in the 200-yard individual medley to better the Eastern small college record. He also took sixth in the 100-yard backstroke and twelfth in the 200-yard backstroke, setting new Hamilton records in all three events.

Hamilton's varsity lacrosse team worked its way to a 2-2 record at midseason, but failed to win another contest, closing the year at 2-6. Victories over Sienna (10-5) and Clarkson (12-5) proved to be the highlights of a campaign that had no contests decided by fewer than five goals.

Barry Seaman led the Blue stickmen in scoring, notching eight goals and five assists for a total of 13 points. Next came Tony Neidlinger with nine goals and no assists, Bill Reukauf, with four goals and a single assist, and Stod Melhado, with three goals and two assists, tied for third. Don Ebbert tended the Continentals' nets all season, averaging 16 saves a game.

With manpower not a problem for the first time in years, Coach Manfred von Schiller's major worry was the greater experience of his opponents. Hamilton had no chance against powerhouses like Union (1-17) and Hobart (2-16), but managed to stay in contention in its other losses until late in the games. Both victories, lopsided as the scores may seem, came only after the Continentals had stifled opposition rallies and continued to score in the second halves.

In the season opener against Sienna, for example, the Blue stickmen were down 2-1 at the end of the first quarter. The teams traded goals in the second period until Hamilton scored three times in a row to take a 7-4 lead at the half. The Continentals scored three more times in the third quarter before Sienna could crease the nets for a meaningless fourth period goal.

Seaman was the big gun in the win, tallying four goals and an assist. Tony Neidlinger had a hat trick, and Will Nelson with two scores and Rod Brace with one finished the Hamilton scoring.

Against Clarkson, the Continentals took a 4-1 lead in the first period, only to see the Engineers rally to cut the Blue lead to 5-4 at the half. The defense cracked down following the intermission, however, and a well-dispersed Hamilton scoring punch ran up a 12-5 victory.

Neidlinger had a hat trick in the win, while Melhado and Seaman each notched two goals and two assists. Reukauf, Nelson, Ken Robertson, Lou Teitel, and John Kingston each tallied once for the Blue.

The hardest loss of the season came at St. Lawrence. Behind 1-0 at the half, and 2-0 in the opening minutes of the third quarter, the Continentals closed the gap to 2-1 on Neidlinger's score. The Larries outscored Hamilton 7-2 over the final 20 minutes of the game, however, to take a 9-3 victory. Teitel and Reukauf provided the other Blue scores.

Against Cortland, Hamilton built up a 3-1 lead in the second period on goals by Neidlinger, Melhado, and Tip Henderson, before being swamped 11-3. Ebbert made 19 saves in the Blue nets, a performance topped only by his 21 saves in the 5-0 loss to Middlebury, and his 22 saves in the 9-3 loss to RPI. In both these contests, the Continentals were within striking distance at the halftime, but could not muster the needed scoring power.

Six seniors are the only losses that this year's squad will suffer, but they are important ones. Neidlinger, and Reukauf, two of the top scorers, are leaving, along with midfielders Robertson, Dick Hunt, and Tony Taylor, and defenseman Kevin Kennedy. On the bright side, however, will be the addition of this year's freshman squad, the first to win a game in the history of freshman lacrosse at Hamilton.

The Varsity Nine closed its season with victories against Harpur and Hobart, 13-7 and 3-1, respectively, to finish with a record of 2-8. The entire season had been one of frustration as the team could not combine good hitting, pitching, and fielding in one game. Finally, at Binghamton, the long awaited hits arrived as the Continentals collected 21 in scoring their 13 runs. Meanwhile, Bill Tripp was limiting Harpur to nine hits and seven runs. In his final intercollegiate contest, Ron Rubin hurled a masterful one run game against Hobart, and his mates bunched three of their eight hits into one inning to tally three times.

The season opened at Rochester with the Blue absorbing an 8-3 defeat. Tripp drew the starting assignment, but was plagued with wildness and a poor defense and had to be replaced by Jim Brooks in the third. The Yellow Jackets' five runs in the first two innings spelled defeat.

The Blue returned home to face St. Lawrence, but there was no improvement as they again lost. Rubin gave up 15 hits and eight Larrie runs, and the Blue were able to manage only one score. The final result was an 8-1 Larrie victory.

A trip to Geneva resulted in the third consecutive Continental loss, this time 15-9. For the second time, the Blue outhit their opponents but were unable to put more than two into one inning. Their big blow was a three run homer by Paul Liepshutz.

The Batmen were next bested by Union, 8-2. The Blue could only manage two runs as they were held to six hits. Spectacular catches by Jim Schoff in centerfield ended three Union scoring threats.

Colgate followed Union to the Hamilton diamond and bested the Continentals 10-2. Once more weak hitting and erratic pitching were the reasons for defeat.

RPI increased the Hamilton losing streak to six games as it shut out the Blue on just five hits, 5-0. Tripp's fine pitching performance was offset by both throwing and mental errors in the Blue infield

Still looking for their first win, the Continentals entertained Utica, but weak hitting could not produce the needed runs as a ninth inning rally fell short and they lost 6-2.

The second encounter with Union proved to be as fruitless as the first as the Garnet handed Hamilton its eighth straight defeat. A single through a draw-in infield in the fifth inning scored two runs and that was all Union needed to win 4-0.

As the season progressed, the six sophomores in the starting line-up gained valuable experience, which proved its worth in the final two games. Captain Ron Rubin, catcher Larry Pritchard, and outfielder Skip McKoy went out on a winning note, and they leave their successful finish to next year's team, which will be led by Don Root. The biggest problem will be to replace Pritchard, who was voted both Most Valuable Player and Rookie-of-the-Year. However, with the added experience and the return of leading hitters Brooks (.340) and Root (.330), next year's squad should prove victorious.

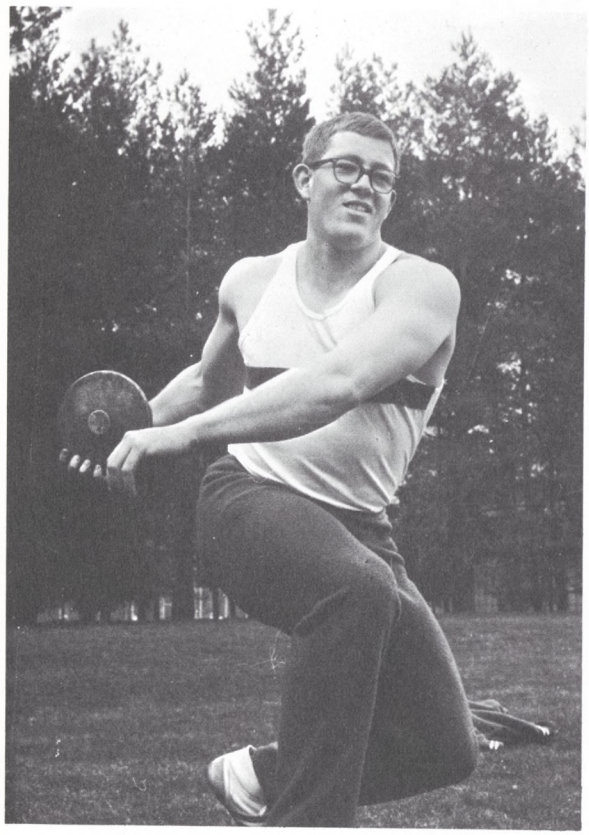
TRACK



Triple threat weight man Tom Deyle

Coach Gene Long will probably remember the 1966 track season as long as he lives; the mixture of superathletes, bad luck, and "hard-nosed" performances put the year in a league by itself. The class of '66, whose runners Gene called "the best all-around I've known", had five three-year lettermen: co-captains Drew Ramsey and Al Podosek, Dick Hadley, Bill Olmsted, and Woody Studenmund; these men, along with juniors Peter Hotine and Tom Deyle, scored a majority of the squad's points.

The indoor season saw the Continentals in two large meets for the first time: the mile relay team (Ramsey, Studenmund, Olmstead, and Hotine) made Hamilton debut on the boards of Madison Square Garden at the NCAA Invitational, and Ramsey (a 1:15.8 600) and Deyle (a 51' put) sparked a third place in the first indoor State Championships. The Blue also did well in their more usual competition, winning a practice meet with RPI, Springfield, and Union, taking third in the Union Invitational, and copping fourth with a seven-man squad in the Rochester Relays. Prospects for the upcoming outdoor season looked good: Deyle was the first Blue fifty footer, and the relay team, though finishing out of the money, had put Hamilton on the map in big-time track.

Such hopes were severely dampened when the thinclads, undermanned by academic losses and injuries (including a season-long injury to co-captain Podosek), lost their opening meet to RPI despite a number of clutch races which kept victory in sight until the intermediate hurdles. Individually outstanding were Andy Cambell, who won the mile in a lifetime best of 4:31.7, Deyle, who threw 49'10½" and 194'6", and Ramsey, who won both sprints, tying the 220 record with 21.8. The baton squad set a school record in the 440 relay with 43.6 and came back to win the mile relay (with Bill Eberle running Hotine's leg) in 3:26.6.

Undaunted, the walking wounded (almost every runner was sick or injured) bounced back to make shambles out of what should have been close meets with their remaining four opponents. Deyle won all three weight events for the rest of the season, upping his discus record to 149'5", and Ramsey finished out his three year dual meet career undefeated in the 100 and 220. Hadley set a new record in the 440 intermediates with 56.7, while Hotine was undefeated all year in the 880 while also copping the 440 at Cortland (when Studenmund was sick) and the mile at Union (when Cambell had the measles). Indicative

of the team's spirit were the victorious string of both relay teams despite substitutions which had runners running on sheer guts, and the good fill-in jobs of Roger Hamlin in the pole vault and "Briefcase" Berger in almost every other jumping event.

The State Championships found the Hillmen somehow in third place, behind Rochester and RPI, in a 16-team field, though still hampered by poor conditioning weather (it snowed in May) and health problems. Ramsey took second in the sprints (his loss in the 100 was the first of his life), and Deyle had two seconds and a fourth to lead the cindermen. Other point scorers in the meet were Hotine and Hadley, with fourths in the half and hurdles respectively, and the relay teams, which took third in the 440 and second in the mile (with Eberle running Olmsted's leg).

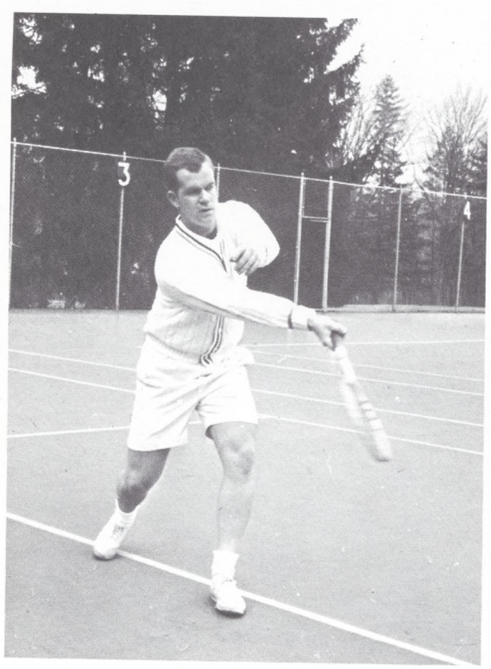
TENNIS



Number 1 man: Fred Vanderbilt

The Hamilton College Tennis team, under the direction of Coach Mox Weber, compiled a perfect 8-0 record this season.

The team's toughest matches were against Syracuse and Rochester, but the Blue won both of them by 7-2 scores. Unfortunately, they were rained out of matches with Ithaca and Hobart.

Led by captain and "most valuable player" John Marling, the team consisted of Fred Vanderbilt, playing in the number one spot, Marling, number two, and Steve Fuchs, Ken Wyatt, Tom Wheeler, and Steve Steinberg, in descending order. Jack Eastham also gave valuable reserve help. Marling, Vanderbilt, and Wyatt were all undefeated in sixteen matches; Fuchs and Wheeler lost only one each.

The highlight of the season came in the last match, against RPI. Vanderbilt was pitted against a ranked player from Jamaica and beat him, in a match of brilliant shots, 6-4, 8-6.

The team's prospects for next year look good, as Coach Weber is losing only three players—Marling, Steinberg, and Eastham. And with a lot of help from up and coming sophomores and this year's freshmen, the team should again be strong.

After the season, Coach Weber commented on his racketeers: "I've had undefeated seasons before, but this is the best team I've ever had."

GOLF

Hamilton's golf team was undefeated in 1966. Poor weather forced cancellations of matches with Pittsburgh, St. Lawrence, Clarkson, and Hobart.

The season began successfully with a 6-1 trouncing of Colgate. Captain Jay Owen was medalist with 69. The next match was with Rochester on the Oak Hill West Course, site of the 1955 and 1967 U. S. Opens. Despite freezing temperatures, sleet and snow, the team was victorious, 6-3. Bob Schulze was medalist with 77.

Bad weather plagued the Continentals again on April 30 against Albany as rain fell during the entire match. The final score was 8-1 as Gary Grayson was medalist with 75. The Cortland match was won 7½-1½ as Owen and Bill Darrin shared medalist honors with 70's.

Next came the Syracuse match and a 4-3 victory as George Enos with 67, Schulze with 68, and Owen with 69 led the scorers.

A visit to Troy ended the undefeated season with a 6-3 victory over RPI. Al Saravia, Rex Hawley, and Owen were low scorers with 76's.

Continental golfers have now won 17 out of their last 18 matches, and prospects are bright for next year with only one senior on this year's team. The only other loss will be Saravia, a special student from Argentina, here for this year only.

Next to All-American Ward Wettlaufer, this year's captain, Jay Owen, is probably the outstanding golfer to come from Hamilton. Owen lost only two matches in his four years at college, a record unmatched even by Wettlaufer. His scores in the two losses were under 70. He will be sorely missed.

Phi Beta Kappa is the national honorary scholastic society and the oldest Greek letter fraternity. The Hamilton chapter, which was founded in 1870, annually chooses up to one-tenth of the graduating class for this honor. Not only must an individual achieve high scholastic standing, but he must also be of good moral character to be eligible for election.

Thank You

It would be impossible to list all of the people who have helped me put together the 1966 *Hamiltonian*. However, there are several who rate special thanks:

Photography editor Woody Brown probably spent more time working on this book than anyone else, meeting each deadline with professional work. Chuck Bonenti put together a cover and a set of page layouts which will not be outdone for years to come. And Bob Roenke, who will wrestle with the '67 edition, bailed out the advertising department and helped us end the year with a profit.

Ray and Joe of Fraternal Composite Service got nothing but a hard time from me and everyone else on the Hill and still managed to come through with some fine photography. Bob Hevenor also helped in this department, opening his files to our eager hands.

Finally, we all owe a large debt of thanks to Beth, who spent countless boring hours checking and rechecking the original copy and the proofs to keep this book relatively free from errors.—D.M.S.
